

# GOT A FLAT SEMI TIRE? Get your Semi-Spare!

**A revolutionary innovation for the Semi-Truck industry,  
A complete spare-tire kit!**

Drivers can now carry everything they need to replace  
a truck tire with the new Semi-Spare.

## **Semi-Spare holds up to two tires and wheels.**

- Tool Box (Can replace Headache-Rack).
- Lightweight (180lbs).
- Easy Installation (Only 4 U-Bolts Required).
- Free Winch Included (For easy loading and unloading tire/wheel).
- Universal Fit (60" L x 12" W x 88" H).

## **Efficiency**

Fast and easy new tire installation at your finger tips.

## **Profitability**

No time wasted = no money lost.

## **Safety**

Less time stuck on the road = less chances for unwanted risks.
